Business Backgrounder

Since its launch in 2008, Kelly Government Solutions (KGS), a specialty service of Kelly Services, Inc., a leader in workforce solutions, has continually provided world-class talent to the federal government and its key suppliers, including prime and small business contractors. Through services like government contract staffing, workforce and project management, and contract compliance services, KGS is able to supply talent to both public and private sectors alike.

Since 2003, KGS has offered Kelly FedSecure, a service dedicated to placing high-quality employees with active security clearance within government agencies and contractors worldwide. Employees typically have vast experiences in fields ranging from information technology and engineering to legal and scientific. To date, KGS is the first and only specialty service of any major staffing company in the world to offer active security clearance services.

Milestones

In 2009, KGS announced a strategic partnership with the U.S. Army Reserve to enhance job opportunities for soldiers and veterans around the nation. The partnership, launched under the Army Reserve Employer Partnership Initiative (EPI), provides both organizations the ability to recruit and employ individuals pursuing opportunities to serve the nation in a variety of fields.

Meanwhile, Kelly Government Solutions has been awarded the following three Government Contract Vehicles within the last few years:

- In 2006, Kelly Government Solutions was awarded its first five-year U.S. General Services Administration (GSA) schedule, GSA Schedule 70, which provides federal agencies simplified access to a highly-skilled, versatile Information Technology workforce, with security clearance.
- In 2008, Kelly Government Solutions was awarded its second five-year contract, GSA Schedule 520, a Financial and Business Solutions schedule which provides federal agencies with financial management, accounting, and budget services.
- Most recently, Kelly Government Solutions was awarded GSA Schedule 621 I, Professional and Allied Healthcare Staffing Services. Schedule 621 I provides federal agencies with access to a broad spectrum of healthcare professionals.

Kelly Government Solutions will continue to supply highly-talented individuals to both private and public governmental sectors in order to support federal government agencies and contractors during the years to come.
