

Business Backgrounder

Kelly Healthcare Resources (KHR) is a specialty service of Kelly Services, Inc., a leader in providing workforce solutions. KHR has steadily grown into a leading provider of comprehensive healthcare staffing needs to all facilities, companies, and organizations involved in servicing the healthcare community.

Since its launch in 1999, KHR has placed professionals across all levels of healthcare in multiple disciplines, including medical laboratory, medical device, pharmacy and pharmacology, nursing, MRI/CT and X-ray technicians, allied health, behavioral health, healthcare billing/coding, utilization, case management, occupational health, special education, and physical therapy.

KHR relies on Kelly's network of offices throughout North America, Europe, and the Pacific Rim to deliver its staffing solutions globally. Dedicated KHR offices are staffed with seasoned, degreed professionals who can assist in almost any aspect of the healthcare industry.

Milestones

- In 2009, Kelly Healthcare Resources achieved the Gold Seal of Approval™ for health care staffing services from The Joint Commission.
- In 2009, KHR began to supply customized healthcare staffing solutions to national healthcare organizations to ensure that they were prepared for the arrival of health informatics - the application of computer information systems to healthcare and public health providers. With health informatics, medical providers will be able to access patient's medical histories and prescriptions nationwide well into the future.
- In 2009, KHR introduced its TravelPath program to provide nurses, physical therapists, and other allied healthcare professionals with flexible, short-term, travel-based assignments.
- In 2008, KHR partnered with the American Heart Association (AHA) to participate in the organization's Start! Heart Walks throughout the United States.
- KHR was the first healthcare staffing company in the country to develop a continuing education program for its occupational health nurses. Approved by the American Association of Occupational Health Nurses, Inc., the online program offers students an opportunity to receive 10 continuing education credits upon completion.
- Through a partnership with Oakland University's School of Nursing, located in Rochester, Michigan, KHR created an annual scholarship program to encourage student interest in nursing and to build awareness of the field as a career path with unlimited potential.
- In 2004, KHR developed the National Nurse of the Year award program in an effort to recognize the hard work and dedication of our nation's 2.7 million registered nurses. The award is presented annually during National Nurses Week in May and is based on performance feedback from customers and KHR branch managers.
- KHR also has an active leadership role in many industry associations, including the American Association of Occupational Health Nurses (AAOHN), the American Heart Association (AHA), and the American Organization of Nurse Executives (AONE).
