Business Backgrounder

Kelly Law Registry (KLR), a specialty service of Kelly Services, Inc., a leader in providing workforce solutions, is a premier legal staffing firm specializing in the placement of experienced law professionals across the legal community. Since 1987, KLR has earned an impeccable reputation for professionalism and integrity.

Today, every KLR branch office is connected to the entire Kelly network of company-owned locations. Each office provides a dedicated staff of attorneys and seasoned legal professionals with broad experience in both corporate and private law practice. KLR relies on its network of offices to deliver its staffing solutions throughout the United States and the world.

KLR provides both temporary and direct hire positions with Fortune 500 corporations and major law firms around the globe. Drawing from its database of thousands of legal professionals, KLR offers a variety of positions, ranging from litigation attorneys and senior counsel to legal administrators and paralegals.

Known for its recruiting expertise and high-quality, cost-saving legal services, KLR provides legal project teams who are experienced in many specialties, including large document reviews, trial consulting and preparation, mergers and acquisitions, and intellectual property law. KLR also offers secure custom project space for clients who want to scale-up for large review projects without having to make long-term real estate and infrastructure commitments.

Milestones

- In 2010, Kelly Law Registry earned the DuPont Legal 2009 “Challenge Award” for providing outstanding and cost-efficient legal workforce solutions. As a long-term strategic service supplier to DuPont Legal, this marks the tenth year KLR has been a recipient of the award.
- In 2009, Kelly Law Registry opened the Kelly National Project Discovery Center at its world headquarters in Troy, Michigan. KLR also operates a Project Discovery Center in Washington DC.
- In 2010, Kelly Law Registry announced its partnership with Casewerx Development, LLC to provide *DiscoveryMetrics*™, the leading metrics and performance management technology, as part of its Managed Document Review Services.
- In 2008, Kelly Law Registry and inData Corporation announced its partnership to provide trial consulting and courtroom presentation services nationwide. Through this partnership, KLR expanded its legal staffing offerings to include the placement of inData trial consultants experienced in providing comprehensive litigation support – from discovery to final resolution at trial.
